

SCHOOL'S OUT

Summer 2026 help, support and activities for families

We know that the long summer holiday can be a difficult time for families, in this leaflet we have signposted you to organisations that can offer support with free or low-cost activities, meals and school uniform for the year ahead.

The [Holiday Activities and Food \(HAF\)](#) programme run by Warwickshire County Council is for children in full time education from reception to year 11, who receive benefits-related free school meals. It means children on benefits-related free school meals can access funded activities with a healthy meal over the summer holidays.

The following venues are offering activities please contact them directly for dates and times.
